Community events attended and next month's events in surgery.

Introduction

Hello all and welcome to June, only six months till Christmas. This year is going so fast.

Firstly I would like to thank Alkham Parish for making me feel welcome at Mays meeting, it was very nice to finally meet you all at last, I look forward to the next one on 1st July

Secondly I apologize for not attending the Capel meeting, unfortunately I was unable to make it but I do hope to be at the next one on the 17th June.

Over the next couple of months, I am hoping to get out with the Speed watch in Alkham, I just need to arrange some dates with them.

There have been 43 calls to Kent Police during the month of May, none of which have been ASB related, there have been a few calls regarding bad driving in Caple and Alkham.

I am planning to hold some surgeries in both villages this month and I will let you now of the dates. However please let me know if there are any events upcoming that you would like me to attend and I make every effort to attend them.

I would urge any readers to sign up to My Community Voice. This is an excellent two-way communication platform that also has the capacity to link users to our partner agencies thereby broadening substantially our combined reach and the information available to you!
