## Community events attended and next month's events in surgery

Hello all, welcome to July and finally we are seeing some nice weather setting in.

During the month of June there have been 41 calls to Kent Police for Capel, Hougham and Alkham. Most of these calls have been traffic related incident and mainly on the Alkham Valley.

I have been liaising with Glynn Jones from the Alkham speed watch in an attempt to arrange a date where my colleague can go out with them with our Speed enforcement device, to try and enforce the speed restriction along that Road and if people choose to ignore this they will be met with a speeding ticket. Hopefully this will happen during this month and will turn into a regular event.

I was able to get to the farmers market, due to me still being restricted and not in uniform, I brought a PCSO colleague along with me which proved to be a great success as we did have a few people speak to us and we were able to offer them advice. I will now look at doing this once a month.

Electric Scooters – know the law.

Electric Scooters – know the law

Although e-scooters can be great fun, it's against the law to ride one on a public road, cycle lane or

pavement. Please share this information with friends and family.

E-scooters are classed as Personal Light Electric Vehicles (PLEVs), which means they are treated as motor

vehicles and subject to the same legal requirements, such as driving licence, insurance, number plates,

lighting, road tax, crash helmets etc. Without these, e-scooters cannot be used legally on the road.

The Government is currently trialling the use of approved rental e-scooters as environmentally friendly.

modes of transport in some specific locations in the UK.

For the rest of the country, under current law, e-scooters can only be used on private land with the

landowner's permission.

It's our priority to keep you and other road users safe.

We are obliged to act against anyone who is caught repeatedly using an e-scooter illegally or in a

way that causes a nuisance to others. In these circumstances we have the power to seize the e-scooter

under Section 59 of the Police Reform Act/165 of the Road Traffic Act – and we'd really prefer not to.

For more information about powered transporters and the law, [www.gov](http://www.gov).

News from Kent Police website for Dover area.

A suspect has been charged with sexual assaults and a public order offence after police were called to Dover town centre.

Officers attended following reports of a man behaving inappropriately towards women in Biggin Street at 4.30pm on Saturday 22 June 2024.

Following enquiries at the scene, a man was arrested in Pencester Road shortly before 5pm.

Charges

Jasur Islomov, of no fixed address, has since been charged with two counts of sexual assault and a public order offence.

The 30-year-old appeared before Margate Magistrates' Court on Monday 24 June and was remanded in custody to appear at the same court on Friday 28 June.

Enquiries into the incident are still ongoing and anyone with information who has not yet spoken to police should call [01843 222289](tel:01843222289) quoting reference 46/103140/24.

### What is StreetSafe?

As part of the government's agenda to tackle violence against women and girls, we are using a new online

tool called StreetSafe to enable people, particularly women and girls, to report locations where they feel or

have felt unsafe and to identify the features on why that location made them feel unsafe.

The focus of this is to identify particular areas and factors that lead to people feeling unsafe and might help

offenders either commit or conceal a crime – such as street lighting, abandoned buildings or poorly

designed spaces, vandalism, as well as behaviours of individuals or groups of people.

StreetSafe is anonymous.

## Stay safe during Euro 2024

Football supporters are being urged to enjoy the Euros safely and responsibly.

As part of the force's commitment to keep people safe, officers have been preventing high-risk

individuals travelling to Germany in the run up to the tournament, which includes contacting those

already subject to Football Banning Orders and ensuring they hand in their passports before the

tournament begins.

Each of the Community Safety Units have been working with licenced premises and other event

organisers and partner agencies to provide public safety guidance.

During the games, extra officers will be out and about at key locations such as pubs, clubs and bars that

are screening the matches. They will be on hand to deal with any disorder that may occur and will also

be available to assist anyone who may feel at risk or has become a victim of crime.

Chief Superintendent Simon Alland from Kent Police said: 'We want everyone to enjoy the tournament in

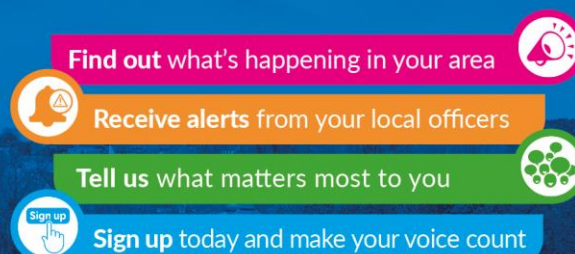

a safe and responsible manner.

'That's why we've been working with local event organisers and premises to provide advice on how to

minimise any trouble and provide a safe environment for people to enjoy the tournament.

'We know emotions can run high during football games and especially tournaments, but we will not

tolerate violence of any kind, whether that's while out socialising or behind closed doors. There's no
