Well, it's busy, busy, busy at the Hall for the next few months. There is the community lunch, the November boot fair, the lighting up ceremony for the outside tree, the annual account audit, the AGM, and the extra Christmas stalls for the Farmers Market to organise, on top of the hundred and one other things we do for the Hall.

The lunch on Saturday, 2<sup>nd</sup> November will probably be over by the time this article is printed but the boot fair takes place on Sunday, 24<sup>th</sup> November, so there is plenty time to book a table. For those looking for a bargain, doors open at 9am, allowing plenty of time to browse before wandering home for Sunday lunch. Don't forget to leave room for the bacon butties and other refreshments though.

There had been some discussion this year about having a Christmas craft fair. It was decided, that as time was short and so much else going on, we would not hold one this year, but we will hold it next, particularly as someone has come forward to organise it. In the meantime, we will be having extra craft stalls, selling items for Christmas, in the run up to Christmas, through November and December, with a special Christmas launch on the 3<sup>rd</sup> December. We hope to see many of you there. More information on this next month.

We've been having a bit of a spring clean, (yes, I know it's the autumn), clearing out cupboards and storerooms. This is a bit like painting the Forth Bridge – we seem always to be doing something. This includes the archives containing minutes documents of previous Hall meetings – some of which make fascinating reading. Our Annual General Meeting will take place at the end of November, as always, and we look forward to seeing you there. Remember the committee runs the Hall on your behalf, so we are always eager to hear your thoughts on what you would like to see at the Hall.

The Parish Council are kindly donating an annual Christmas tree to be erected outside the village Hall. The intention is to hold a tree lighting ceremony with carols, mince pies and mulled wine. This will take place in the first weeks of December. We hope to see you there, or at any of our other events.

### From the vicarage

*Beneath those rugged elms, that yew-tree's shade, Where heaves the turf in many a mould'ring heap,  
Each in his narrow cell for ever laid, The rude forefathers of the hamlet sleep.*

Churchyards can be magical places, inspiring great poetry such as Thomas Gray's *Elegy Written in a Country Churchyard* of 1751 – but maintaining them today can be a headache. A while ago I wrote about how the comedian Spike Milligan's request for an amusing but flippant epitaph on his headstone was met by allowing it, but in Gaelic.

**The Churchyard Regulations have the force of law.** Briefly, you need written permission for permanent fixtures like benches and memorials. Cut flowers may be left in memorial gardens, but nothing else. Border plants are allowed on individual graves, but not shrubs, rose bushes or trees. Silk flowers are allowed for a limited time, but not plastic flowers, trinkets or other objects. Kerbs, low fences and stone chippings are forbidden on health and safety grounds.

**To those who visit our churchyards and tend graves and stick to the rules, our sincere thanks.** That hasn't stopped the Archdeacon receiving a complaint about the state of one of our churchyards, in particular about things left on graves that shouldn't be there. He has instructed the Parochial Church Council to ensure that the law is obeyed. They have therefore passed a resolution to ensure that the Regulations are enforced.

**They would therefore be grateful if all trinkets, solar lights, beer bottles, garden gnomes, etc. could be removed by January, along with the fences** – Alkham Garden Centre can supply plants that don't appeal to rabbits. Please be aware that after January, graves and memorial gardens will have to be cleared monthly.

**Sorry for any distress or disappointment** – we hope that you will understand. ... *Brian*

A number of people who live in the village are involved with the Dover Foodbank, and St Radigund's Church has been one of their donation points for many years now - which, it seems, is not as widely known as it ought to be! The Dover Foodbank is associated with the Trussell Trust, and information about how it functions and how people can give and get help can be found on their website: <https://dover.foodbank.org.uk/>

At church we collect items in our Green Box. When ready, we contact Moira who lives in Old Dover Road, who then arranges for them to be taken to the warehouse.

The past month has been very busy for our WI. On 24<sup>th</sup> September we hosted the Group Meeting, when representatives from all the WIs in our group come together. As the host WI, we provided the refreshments and organised the entertainment. Our food – all homemade - was well received and the Dead Horse and Broomdashers Morris Dancers were a great hit with us all.

Then on Saturday 5<sup>th</sup> October we hosted the Barn Dance, which was great fun. Lots of hard work but great fun and many people have asked, if we are going to hold another barn dance next year, or make it an annual event!! Maybe – watch this space!!

Our October meeting saw the visit of Jan Henry, the Community Warden. Jan gave an interesting talk explaining the wide and varied role that she and other Community Wardens undertake. What an asset she is to our community.

We also welcomed two visitors Jean and Ann; we hope you enjoyed the evening and will come again.

Our first baking competition in memory of Pat Stoker, who made the most wonderful cup-cakes complete with amazing decorations, was held. The theme was Cup Cakes decorated for Hallowe'en. Chris Stoker and his granddaughter Ashleigh, came to help judge the entries and to award the trophy to the winner, which they had designed and commissioned – it's beautiful. This year's winner was Karen – congratulations. The cakes looked amazing!

Our next meeting is on Tuesday 12<sup>th</sup> November when we will be having a Food (mince pies) and Wine /soft drinks tasting evening. New members are always welcome, the first 3 months are free!

Our next social event is the Bingo evening at St Radigund's on Friday 15<sup>th</sup> November. - eyes down at 7pm. All welcome.

Join us as we honour the courageous Few who defended our skies during the Battle of Britain. Our major appeal is dedicated to enhancing our cliff-top site for the next generation. But we can't achieve this without YOUR invaluable support  
Our goal is to raise £1m to extend Hunting Lodge and create an extraordinary, state-of-the-art aerial dog fight simulator experience. Imagine yourself in the cockpit of a Supermarine Spitfire or a Messerschmitt Bf109, engaging in thrilling battles that replicate the challenges our courageous aircrew faced in 1940.

This extension will not only provide exhilarating simulators but also additional space to display more Battle of Britain artefacts.

As a charity that relies on the generosity of our supporters, with no government support, we can only achieve this dream with you by our side.

Every donation, no matter the size, gets us closer to our ambitious £1m goal. With your contribution, the Memorial will continue to inspire and educate future generations.

## FOLLOWING COMMUNITY WARDEN SERVICES CONSULTATION THIS YEAR ...

### A MESSAGE FROM JAN HENRY

I'm very pleased to let you know, we've been told we can reveal our new Warden areas as the KCC Councillors in the areas affected, have all now been informed. My wards are now

Capel-le-Ferne and Alkham, and Walland and Dengemarsh (Lydd, Brookland, Brenzett, several other very small hamlets and many, many sheep!)

I will no longer cover Hawkinge.

There will be a transition period into the New Year, to hopefully allow us to find alternative support for the clients and groups that we currently work with, that will no longer have a Warden in their area.

Obviously in Capel things should just carry on as normal, for which I am delighted.

Kindest regards, Jan

*Jan Henry, KCC Community Warden

Kent County Council. Tel: 07811 271303.*

**KEEP KENT SAFE  
LATEST ALERTS**

**We have received reports of doorstep criminals in the Folkestone area. They are knocking on doors offering to steam clean roofs.**

Doorstep criminals (also known as rogue traders, cowboy builders, building and gardening scammers) cold call on unsuspecting households offering convincing deals to try to get you to agree to having work carried out. We know that if you accept work from a doorstep criminal, you'll pay much more than you intended for very poor, unnecessary and sometimes dangerous work. Never give work to cold callers. Always get 3 quotes and use a safe, local trader that's been vetted by Kent Trading Standards: [kent.gov.uk/tschecked](https://www.kent.gov.uk/tschecked). Look out for others, report to Kent Police on 101. You can also report it to the charity CrimeStoppers on 0800 555 111. You'll stay 100% anonymous, always.

**We have received reports of Courier Fraud in Canterbury**

All reports state residents receive a call from a criminal impersonating their bank or a Police officer. This scam can change from having a family member arrested and you need to call 999 or their bank saying a staff member was being investigated and they need the resident's help. This is a scam! The Police would NEVER telephone and ask for your bank card and pin number to be collected by a courier or withdraw cash or buy gold to assist in an investigation. Always check the dialling tone after your call to ensure scammers are not still on the phone, use another telephone if possible or call a trusted friend first. If a courier arrives at your property ring 999. If you think that you may have been a victim of this or any other type of scam, contact your bank immediately. You can do by calling 159 and report to Kent Police on 101.

**Kent resident targeted by loft insulation scam.**

Resident received multiple calls from criminals impersonating a 'government backed energy care team'. While the resident declined any service the criminals were persistent in trying to obtain personal details. Do not respond to cold callers - on the phone or at your door. To find a safe, local trader visit the Trading Standards Checked: [kent.gov.uk/tschecked](https://www.kent.gov.uk/tschecked). For advice and to report scammers please call Citizens Advice on 0808 223 1133.

**Allergy Alert.**

Mustard ingredients contaminated with peanuts. The Food Standards Agency are advising people who have a peanut allergy to avoid consuming foods that contain or may contain mustard, mustard powder or mustard flour because they may have been contaminated with peanuts.

**Are you buying fireworks this year?**

Avoid unknown sellers on social media and only buy from licensed retailers. Despite safety warnings, injuries occur every year. The safest way to enjoy fireworks is to attend a public display. If you do buy fireworks: Always check for the CE mark. It is illegal for under 18's to buy or carry fireworks. Let your neighbours and those with pets or horses know in advance and stop at the appropriate time. Read safety warnings on the box, and if you're unsure, don't use them. For more information visit Kent Fire and Rescue Service.

## Royal Marsden Hospital Cancer Research Jumble Sale

Just a short note to thank everyone in the village for yet another successful charity jumble sale in aid of The Royal Marsden Cancer Research Fund.

Although the weather started gloomy and rainy, the jumble Gods let the sun shine on the near 200 people who waited, patiently in the car park, for the doors to open.

We raised £1,207.41, our third highest total ever which is great.

Without your support and those who collect, set up, serve and tidy away none of our efforts would be possible.

So, thank you!

We would like to let you know our next sale will be on April 12<sup>th</sup> 2025.

Have a wonderful Christmas and we will see you next Spring

Many thanks. The Organisers.
