As many of you are aware, the Hall would probably cease to function without its many volunteers. Whether through organising events, sorting out the books, setting up tables and chairs, manning the kitchen for Farmers' Markets, boot fairs and Garage Safaris and a myriad of other jobs from cleaning to fixing, we are indebted to our unpaid workers. Recently John and Carole Payne have joined their ranks, helping with repairing the cabling for the loop network, putting up (and taking down) the Christmas decorations, while their latest work entailed taking out and refixing a radiator cover that has not been repaired since Moses was a boy, owing to fears that in removing the cover, it might take half the wall with it. Working with Kath and Barry, all is now clean and operating like new, largely because John seems to have all the right tools for the job. All of this then provoked the thought that in the village there must be lots of items that need repairing or fixing or cleaning. This thought then became an idea to hold a sort of mini 'Repair Shop' at the Hall enabling villagers to bring these items to the Hall. But for this we need volunteers with the skills required to repair said items.

If any villagers have the requisite skills in woodwork, electronic, electrical, needlework or any other trade which they would like to use for the benefit of Capel village as a whole then please contact Sally Cook or Kath Hounsell. This is a fledgling idea and we do need to look at insurances and general cover, but we can't make a move without the volunteers.

The Hall committee would like to thank the Parish Council for their work in organising and supplying and putting up (and taking down) the large Christmas tree. On the night the weather was awful, so we reconvened indoors for carols, mince pies and mulled wine and watched the switch on through the windows. We were gratified by the number of people who attended and hope to do the same next year, perhaps being led by real choirs and with no rain!

We don't hold a committee meeting in January but please be reminded of events that we are running in the near future, including the Community Lunch on February 15th. Let Sally Cook 077304 75838 know if you wish to attend. Seats are limited for a two-course hot meal with tea and coffee afterwards. It is free of charge and allows you to chat and spend time with other people in the village. There is also a Boot Fair on the 9th March – anyone interested please contact Sally for information or to book a table. Finally, I would like to thank my fellow trustees for all their recent work in overhauling systems and bringing things up to speed. A great job well done!

From the vicarage

Did you have a good Christmas? I must admit that if anyone asks me that question before New Year, I tend to reply that I'm *having* a good Christmas – after all, Christmas Day marks its beginning, and lasts for twelve days. So, by that reckoning I can carry on having a good Christmas until at least 5th January.

But not if you work in retail. Then, as we know, Christmas starts around the beginning of November and ends on Christmas Eve; the unsold Christmas things are reduced and the displays taken down ready for the Sales, or Valentine's Day, or whatever comes next.

On 27th December, someone we know triumphantly posted on social media that she had just finished taking her tree down and putting her decorations away for another year. Now, as I write it is mid-January, and by now most of us will have put the Christmas decorations away for another year.

But visit Canterbury Cathedral for a service just now, and you'll find a large star still hanging above the Quire, all five candles on the Advent Wreath still lit and the lights on the Christmas tree still twinkling away. It's not that anyone has forgotten to take them down, or that they can't be bothered. There's something else.

The Jewish Law would have required Mary and Joseph to take Jesus to the Temple for a ceremony on the fortieth day after his birth. That works out at 2nd February, when the Feast of the Presentation, or Candlemas, marks the end of the Christmas season proper. So, if you're reading this before the 2nd, you can carry on enjoying Christmas for a bit longer.

So, here's a photo of the Crib at St Radigund's, just to help to keep things going ... *Brian*

Thanks to everyone who came to this evening's Carols by Candlelight at St Radigund's - the collection for Crisis raised £127.16.

A number of people who live in the village are involved with the Dover Foodbank, and St Radigund's Church has been one of their donation points for many years now - which, it seems, is not as widely known as it ought to be! The Dover Foodbank is associated with the Trussell Trust, and information about how it functions and how people can give and get help can be found on their website: <https://dover.foodbank.org.uk/>

At church we collect items in our Green Box. When ready, we contact Moira who lives in Old Dover Road, who then arranges for them to be taken to the warehouse.

EXTRA DATES FOR YOUR 2025 DIARY
7th & 21st March and 4th & 18th April

December saw us celebrating birthdays with Carol, Lyn, Jean H & Jean G and a special birthday for John.

We ended 2024 with two sittings at the Royal Oak, catering for 58 guests and volunteers, for the now 'famous' Christmas dinner.

2025 started with birthday celebrations for Ginny, Janet, Kit & Tony

In December we had a Christmas meal at Soterio's, which was very enjoyable, and our Christmas meeting – a party! Our speaker, Judi Knight, gave a talk on Christmas food during WW2, complete with packets and tins of various foods. Judi explained how things changed during the Christmases from 1939 to 1945, from the introduction of rationing and how little people had in terms of fat (butter, margarine and lard) to the lease / lend system with America, (which we only finished repaying in December 2006!), which introduced dried eggs and milk powder to the diet. We were shown how to make Prune Dumplings using mashed potatoes to bulk out the flour – potatoes were available throughout the war as everyone was encouraged to dig for victory.

January saw the visit of Paul Beard from Barnardo's. Paul gave a very interesting and informative illustrated talk about Barnardo's and his association with them, both as an employee and a foster parent and now as a volunteer. He began with the history of the organisation, how it was and how it now operates, and he concluded with a very personal story of a child he and his wife had fostered. It all started in 1866 with Barnardo giving shelter to children who were homeless and sleeping on the roof tops next to chimneys for warmth. During his life time he built many homes for children including a village in Barkingside. One of our members had worked in the village as a house parent.

Our February meeting is a social evening, including fish/pie/sausage and chips.

New members are always welcome, and we were pleased to welcome two visitors to January's meeting and hope that they will continue to come and will join us. Visitors can come to 3 meetings before deciding whether or not to join the WI.

CAPEL-LE-FERNE GARDENERS' ASSOCIATION

The society is always pleased to welcome new members, we are a friendly group and if you join now, you will be a member of the group right through to the AGM in November 2025.

Membership is only £10 and our events include monthly presentations, 3 open shows at the Village Hall, and an outing to an impressive garden and perhaps stately home, plus, a quarterly newsletter.

Interesting speakers, a friendly quiz, and occasional visits to stately homes and their gardens.

Our enthusiastic members are always happy to share the benefit of their knowledge and experience with aspiring new growers.

If you are not yet a member and would like to be, membership is just a low £12.00 per year.

The society holds a Rose show in June, Spring, Summer and Autumn Shows, at the Village Hall.

See "What's On" front page for dates.

The group meets on the third Tuesday of each month at 7:30pm in St Radigund's Church, Albany Road, for informative presentations, social events and quiz evenings.

Look forward to seeing you at the shows, or any of our events.

 Join us as we honour the courageous Few who defended our skies during the Battle of Britain. Our major appeal is dedicated to enhancing our cliff-top site for the next generation. But we can't achieve this without YOUR invaluable support
 Our goal is to raise £1m to extend Hunting Lodge and create an extraordinary, state-of-the-art aerial dog fight simulator experience. Imagine yourself in the cockpit of a Supermarine Spitfire or a Messerschmitt Bf109, engaging in thrilling battles that replicate the challenges our courageous aircrew faced in 1940.
 This extension will not only provide exhilarating simulators but also additional space to display more Battle of Britain artefacts.
 As a charity that relies on the generosity of our supporters, with no government support, we can only achieve this dream with you by our side.
 Every donation, no matter the size, gets us closer to our ambitious £1m goal. With your contribution, the Memorial will continue to inspire and educate future generations.

LATEST ALERTS

Due to the cold weather doorstep criminals are targeting homes to undertake various work from refitting electrics, roofing repairs and loft upgrades. ● Doorstep criminals, often referred to as rogue traders, cowboy builders or building and gardening scammers, make unsolicited visits to homes, offering seemingly attractive deals to persuade homeowners to agree to various services.

However, accepting their offers typically results in paying exorbitant prices for substandard, unnecessary, and occasionally hazardous work. ✗ Never respond to cold callers! 📞 Learn how to protect yourself from doorstep criminals

- ✔ Always get three quotes and use a safe, local trader that's been vetted by Kent Trading Standards 📞 Look out for others, report to Kent Police on 101. You can also report it to the charity Crimestoppers on 0800 555 111. You'll stay 100% anonymous, always.

✗ Impersonating the Police, residents were told their bank account had been compromised. They told residents to withdraw money from their bank and a courier would be round to pick it up.

📞 This is a scam! If a courier arrives at your property ring 999.

✔ The Police would NEVER telephone and ask for your bank card and pin number to be collected by a courier, withdraw cash, or buy gold to assist in an investigation.

✔ Always check the dialling tone after your call to ensure scammers are not still on the phone, use another telephone if possible or call a trusted friend first. 📞 Watch 'Courier Fraud Warning: Stay Wise, Don't Compromise' 📞 If you think that you may have been a victim of this or any other type of scam, then contact your bank immediately, which you can do by calling 159 and report to Kent Police on 101.

⚠ Please warn friends and family.

⚠ Using Booking.com to book your holidays? Be warned you could be targeted with emails or messages asking for payments from hotels using a fake account.

● The criminals send in-app messages, emails, and WhatsApp messages tricking you into making payment or requesting credit card details. This is a targeted phishing attack against the accommodation provider, and not Booking.com system or infrastructure. Between June 2023 and September 2024, Action Fraud received 532 reports from individuals, with a total of £370,000 lost.

⚠ If you receive an unexpected request from a hotel's account you booked with using Booking.com, asking for bank details or credit card details, it could be a fraudster trying to trick you into parting ways with your money. Contact Booking.com or the organisation directly if you're unsure.

📞 No legitimate Booking.com transaction will ever require a customer to provide their credit card details by phone, email, or text message (including WhatsApp).

➡ If you receive any suspicious emails or text messages, report them by forwarding emails to: report@phishing.gov.uk, or texts to 7726.

📞 To get advice on scams or to report please contact Citizens Advice on 0808 223 1133.

⚠️ Looking for a new job? Don't get your identity stolen in the process. Personal information is extremely valuable to criminals. They use your details to impersonate you and apply for products and services such as bank accounts, loans, and credit cards. They may also target you asking for upfront fees. Providing too much personal information (e.g. driving license number, passport number, full address) in your CV could leave you vulnerable to scams. Spot the signs: 🚩 Unrealistic salary 🚩 Job offer without interview 🚩 Poor written advert 🚩 Being asked for money or personal details Always do your research on a company and make sure they are who they say they are. For advice and to report contact Citizens Advice consumer helpline 0808 223 1133

Dear Kent Residents. Due to the recent cold weather we want to remind residents that if you need work done on your home or garden, please choose a safe, local trader from our Trading Standards Checked (TSC) directory. Together with Kent Police and our members, the TSC scheme aims to prevent financial abuse, stop doorstep criminals and protect residents, especially the vulnerable, from criminal and rogue traders. Make sure to look out for others and report anything you see to Kent Police on 101. You can also report it to the charity CrimeStoppers on 0800 555 111. You'll stay 100% anonymous, always.

⚠️ Scam texts impersonating HSBC A text sent from a spoofed mobile number impersonating HSBC tells you that there's been a direct debit set up on your bank account. It tells you to reply 'STOP' if you didn't authorise this, which will most likely lead to a scam which will try to steal your personal and payment information. → You can report scam text messages by forwarding them to 7726. 🚩 We are all vulnerable to scams, be wary and think twice. NEVER give out your personal or financial information. 📞 To get advice on scams or to report please contact Citizens Advice on 0808 223 1133.

The Village Hall, Lancaster Avenue, Capel le Ferne, CT18 7LX

POSSIBLE MONTHLY 'REPAIR SHOP'

Happy New Year to all our residents.

We have been approached with an idea for an additional service for the village that the Hall Committee may be able to facilitate..... But we need your help!!

We are all now very aware of the impact of our consumer activities and the drive to repair, re-purpose and recycle as much as possible.

We were hoping that we might get a band of people who have the valuable skills to be able to repair the many small household items that are in our homes nowadays. Are you good with wood? A dab hand with a sewing machine? A magician with a screwdriver? A leading light with electricals? A professional with pottery? If you possess the skills that mean something may be able to be repaired rather than thrown away - you are the type of person we are looking for!

If you are interested and are potentially available once a month on a Farmers' Market Tuesday 10-12noon we would love to hear from you.

Please contact Kath Hounsell by email at secretary.cvhmc@gmail.com or on 07376 614014

Thank you for your invaluable support

2023/24 CHAMPIONS of the East Kent Winter League, 1st division. 2023/24 CHAMPIONS of the Shepway Winter League. Current CHAMPIONS of the East Kent Winter League, 1st division. Current CHAMPIONS of the Shepway Winter League.

HAPPY 2025 TO EVERYONE IN CAPEL-LE-FERNE

The 2024/25 winter league kicked off this October.

SHEPWAY LEAGUE

The defence of this championship has been hampered by players availability over the last few weeks. Health concerns and holidays, for some club members, have rightly taken precedent during this time.

With more players now available and post op recoveries well under way, the end of the season should see us improve the current league position.

EAST KENT LEAGUE

The defence of this league championship continues, but, as above, it is definitely more challenging this year!!

Mixed results place us in the middle of this league table, with a few matches still to go.

Our away match at Swalecliffe is postponed until March 2025.

CSMB CLUB COMPETITIONS

Congratulations to Gina & Rachel who were the two league leaders after the 'MIXED DRAWN SINGLES' competition. Their final match to determine the overall club champion to be played soon.

Best of luck to both players.

Sunday March 23rd the club bowls knockout competition will be held for all club members to participate in.

Let's find out who is the best of the best (on the day!). Remember, you've got to be in it to win it.

WE ARE MORE THAN A BOWLS CLUB

The club Christmas dinner was enjoyed by all on the 13th December at the Folkestone indoor bowls centre.

The Christmas fun day was held on the 22nd December.

Seasonal food and drink consumed by all attendees, and not a game of bowls was played!!

NOTES FOR YOUR DIARY

🍩🍪🍪 On Easter Sunday, 20th April we are planning to hold our usual buns and bowls event 🍩🍪🍪

The CSMBC AGM, is due to be held on the 27th April, in the Village Hall at 2pm.

STANFORD TUCK - HERO OF THE BATTLE OF BRITAIN

SUNDAY TALKS

DR HELEN DOE

Helen is a noted historian and speaker and the daughter of Wg Cdr Bob Doe whose well-received biography, *Fighter Pilot*, was published in 2010. Now she has turned her attention to another ace, Stanford Tuck. There was just one biography of Tuck written in 1956 so he was overdue for some attention. Helen celebrates one of the great aces of the Battle of Britain and corrects a few myths.

There are limited seats available for this event, so you must book in advance. Entry is free, although parking charges apply (parking is £2 for two hours or £6 for all day). Sun 9 March, 2pm. Free.

After legal training, he joined the RAF and was an operational helicopter pilot before becoming a flying instructor, later graduating from the 1986 Class at the Empire Test Pilots School. Geoff has over 11,000 hours of flying experience, gained on over 80 types of helicopters and aeroplanes.

FLYING THROUGH THE RANKS - PHEW - THAT WAS CLOSE!

SUNDAY TALKS

AIR MARSHAL BLACK ROBERTSON CBE FRAeS FRSA RAF

2.00PM | SUNDAY 11 MAY 2025

Join us on Sunday 11 May at 2pm for our latest Sunday talk, 'Flying Through the Ranks - PheW - That Was Close!' by Air Marshal G.A. 'Black' Robertson CBE. His talk includes enthralling stories from the Cold War, the Falklands and Kosovo, and the experiences of both aircrew and groundcrew.

'Black' Robertson CBE shares how his experiences in the air, who he worked with, the places he served and the jobs he did taught him lessons for life. These tales of derring-do offer a unique perspective, not just on the RAF's development, but on the type of characters who formed its backbone.

There are limited seats available for this event, so you must book in advance by calling 01303 249292 or emailing enquiries@battleofbritainmemorial.org.

Can't attend but still want to support the Memorial?

You can donate to our 30th-anniversary fundraising campaign: <https://tinyurl.com/388aar87>

Unfortunately due to less and less people each week our Wednesday night BINGO has come to an end. It's had a good run of a year and half but didn't seem as popular. We will look to opening it up again in the spring. Thank you to all that committed and stayed with us.
